OBJECTIVE

A challenging career which offers an opportunity to apply my skills with continuous learning and growth. Highly motivated individual and an aspiring data scientist. I love to play with dataset and analysing different trends. I am more inclined towards machine learning and deep learning .

EDUCATION

Mukesh Patel School of Technology Management and Engineering, NMIMS	July 2023
<ul style="list-style-type: none">Bachelor's of Technology, Data ScienceCGPA: 3.84	
Shakti Higher Secondary School	June 2019
<ul style="list-style-type: none">87%	
Rajkumar College Rajkot	May 2017
<ul style="list-style-type: none">CGPA: 10	

PROJECTS

Chatbot	November 2021
Built a simple chatbot using several deep learning and NLP concepts	
License Plate Detection	September 2021
Automatic License Plate Recognition (ALPR) is a technology that uses optical character recognition (OCR) to automatically read license plate characters. Aim is to extend this project and build an automated e challan system.	
Stackoverflow Question Tag Predictor	July 2021
The objective of this task is to give tags to questions asked on stackoverflow so that we can easily direct that question to person who is expert in that topic. Basically the aim of this project was to explore different NLP techniques and learn multilabel classification.	
Financial Market	March 2021
Analyzing 5 stocks using different techniques and algorithm Also used some of the optimization startegies like cppi , efficient portfolio etc..	
Loan Prediction System	November 2020
To automate this process, they have given a problem to identify the customers segments, those are eligible for loan amount so that they can specifically target these customers. RANK – 66/9000	

SKILLS

- Machine learning , Deep learning , Data Visualization , Data analysis , Statistical analysis , Financial analysis , NLP
- Languages** :- Python , C , R
- Frameworks** :- Keras , Tensorflow , NLTK , Scikit-learn , Numpy , Pandas , Streamlit , PySpark
- Visualization Tools** :- Tableau , Excel , PowerBI
- Database** :- MySQL
- Management Skills** :- Presentation and Communication Skills , Project Planning , Leadership

INTRESTS

- Investing in Capital Markets
- Intrested in reading about economics and politics and upcoming statups and their ideas
